

QUALITY POLICY

Allied Glass Containers Ltd are totally committed to the provision of safe, quality products coupled with the highest possible standards of service at all times.

The company will ensure that every employee receives adequate training and understands their responsibilities within the quality system. The company will provide:

- A quality product that continually meets customers' expectations and requirements.
- A prompt, consistent and competitive service.
- A safe product and service that is compliant with all current legislation, the customers' requirements and codes of practice.

The company will ensure that the quality system is maintained and complies with the requirements of the Quality Assurance Standards BS. EN. ISO 9001, the BRC Global Standard for Packaging and Packaging Materials and all international standards. The company will clearly set out the objectives and management programmes to ensure effective and continual improvement of the Quality Management System.

This policy will be reviewed annually and will be made available and communicated to all employees and other interested parties where appropriate.
